

48th Meeting of the Directing Council

Santa Cruz de la Sierra, Bolivia, October 22-26, 2018

RESOLUTION N° 9

ACADEMIC GRANTS AND STUDY EXCHANGES

The 48th Meeting of the Directing Council of the Pan-American Institute for Geography and History (PAIGH),

CONSIDERING:

The positive experience that, for several years, has been obtained with the Postgraduate Grant that the Geophysics Commission offers for studies at the Autonomous National University of Mexico (UNAM);

The fact that the Strategic Institutional Development Plan proposes to seek out new alternatives for finance and cooperation that make it possible to set up agreements with universities or national research agencies;

The fact that an increase in the fees from 2020 onwards has been determined;

That recommended by the 89th and the 90th Meetings of the Authorities, the Scientific Policy Committee and the Resolutions Coordination Committee,

RESOLVES TO:

1. Manage the creation of a grant for training, courses and study visits, among other measures, within the Cartography, Geography, and History Commissions for students from the PAIGH member countries.
2. Request that Secretary General set up and sign agreements with institutions which offer the study programs for which the grants or study visits could be applied.
3. The respective presidents of each Commission will be responsible for setting up the call for applications linked to the Institutional Strategic Development Plan and select the applicants by means of assessment committees set up for this task.
4. Recommend that this initiative be made as widely known as possible by the PAIGH National Sections.
